NOTES TO STUDENTS

1. We have scheduled at most one exam per day per class group, so ideally there should not be any clash of ordinary exams.
2. As a general rule, where a clash between a Retake/Special and an Ordinary exam was not resolved, the ordinary exam shall take priority.
3. Familiarize yourselves with the groups in which you have been registered and taught in as it will also appear on the Exam Card. The examination venues have been based on these groups. This is to avoid students being in the wrong venue even though the examination is the same.
